

Upper Straits Clean Lake Association (USCLA) *Dues and Weed Management Notice*

USCLA Dues

Please support the management of our lake with your USCLA dues contribution. Funds are used for association operation and the various activities around the lake including newsletters, media, water quality testing, Music on the Lake and Lake education.

Weed Management

Weed management activities begin in spring; harvesting begins in late July; weather permitting. Your USCLA weed management contributions are the sole source of revenue for Upper Straits Lake's weed management - please contribute and memo your check "Upper Straits Lake".
