

From Chris and Jan Connolly:

Hi Everyone,

Since 2003 we have had 90 Music on the Lake parties. Our only funding is from our sponsor and your private donations by way of Venmo, Zelle, or checks.

Music on the Lake provides entertainment, builds community, and helps us to make new friends. The parties started in 2003 with all musicians donating their services. Starting in 2012, that has changed and some musicians now receive payment for performing.

If you like the annual tradition of Music on the Lake, please consider an annual tradition of making a donation to help us continue the parties.

If you are willing to contribute, donations can be made directly to the Music on the Lake account at Chase Bank using either Venmo or Zelle:

With Venmo the username is: musiconthelake
With Zelle the user ID is: 2486137700

Checks can also be made out to Chris Connolly and mailed to 4457 Rolling Pine Drive, West Bloomfield, MI 48323

All donations are kept in a separate account and are only used for the Music on the Lake budget.

Thanks so much,
Chris and Jan
